*2. As of August 2021, among 18V cordless blowers made by leading power tool manufacturers. (Survey by Koki Holdings)

Powerful Blowing

Best in Class*¹ Air Volume & Low Vibration

Best in Class Air Volume*¹

With the optimized air duct structure, the RB18DC is more powerful than its predecessor and provides the best in class air volume, allowing the user to get the job done more quickly.

Easy Air Volume Control

The variable speed trigger and three air volume settings allow the user to control the volume with ease to suit the application.

Low Vibration

The RB18DC features 25% lower vibration than its predecessor, ensuring less fatigue and comfort for the user.

Dust Extraction

The RB18DSL can be used as a vacuum with an optional dust bag (Code No.323587).

Compatible with 14.4 Lithium-ion Batteries

Cordless Blower **NEW**

18V - 5Ah
RB 18DC

Specifications

Model	RB 18DC
